

### **Paving Crew Roller Operator Career Opportunity**

B. Blair is looking to hire a Paving Crew Roller Operator responsible for operating various size asphalt rollers with knowledge of paving operations. The opening is for a skilled paving operator with 3 years' experience. This position reports to the Paving Foreman.

#### **Job Responsibilities – What will you do?**

- Understands the various aspects of the paving industry including preparatory work, grades, drainage, paving patterns, mix designs, job specifications, compaction and other details related to asphalt paving.
- Utilizes various size asphalt rollers to compact asphalt to minimum density requirements.
- Utilizes plate tamper to ensure compaction around structures and any other areas a roller cannot reach.
- Analyzes and correct deficiencies in rolled areas such as depressions, swales, seams, edges, etc.
- Understands the full paving scope: prep work, grading, compaction, etc.
- Performs basic daily maintenance of the equipment such as greasing, cleaning and maintaining fluid levels.

#### **Qualifications – Who are we looking for?**

- 3 years of paving experience
- Ability to work in a fast-paced environment
- Strong collaboration and communication skills
- Ability to work in a team environment
- Dependable transportation to work daily
- Pass drug test prior to employment
- Valid Driver's License
